Deleterious liquids or substances, though otherwise prohibited from transmission by post, may be sent for medical examination or analysis by a qualified medical practitioner or qualified veterinary surgeon to a laboratory or institute, public or private, or to a medical practitioner or veterinary surgeon within the United Kingdom, by ordinary LETTER POST, under the following conditions:—

Any such liquid or substance must be enclosed in a receptacle hermetically sealed, which receptacle must itself be placed in a strong wooden, leather, or metal case, in such a way that it cannot shift about, and with a sufficient quantity of some absorbent material (such as sawdust or cotton wool) so packed about the receptacle as absolutely to prevent any possible leakage from the package in the event of damage to the receptacle.

The packet so made up must be conspicuously marked "Fragile, with care," and bear the words "Pathological Specimen," and also the signature and address of the medical practitioner or veterinary surgeon who sends it. THE PACKET MUST ON NO ACCOUNT BE SENT BY PARCEL POST. Any packet of the kind found in the parcel post, or found in the letter post not packed and marked as directed, will be at once stopped and destroyed with all its wrappings and enclosures.

Any person who sends by post a deleterious liquid or substance for medical examination or analysis otherwise than as provided by these regulations is liable to prosecution.

It is recommended that if receptacles are supplied by a laboratory or institute to medical practitioners or veterinary surgeons, they should be submitted to the Secretary, General Post Office, in order to ascertain whether they are regarded as complying with the regulations.

"It should be explained that the use of the cut-off in the case of the short Lee-Enfield rifle is to be confined to occasions when the troops are not actually engaged with the enemy, and that it is then to be employed for the purpose of enabling either the magazine to be charged without inserting a cartridge in the chamber, or the rifle to be unloaded while retaining the cartridges in the magazine. On all other occasions its use is deprecated, and in the case of the short Lee-Enfield rifle, it is never to be employed to enable the rifle to be used as a single loader."

The use of the cut-off is not to supersede in any way the use of the safety catch, which will be turned completely over to the rear whenever fire is suspended before movement or for any other reason, whether the order to cease fire is given or not."

"If at any time it is desired to charge the magazine without loading the rifle, or to unload the rifle while retaining cartridges in the magazine (paragraph 6 of Section 33), special instructions will be given to make use of the cut-off, or if there is no cut off, to press the uppermost cartridge downwards with the thumb, so as to permit the bolt to slide over the cartridge as the breech is closed. In the former case care must be taken that the pressure of the thumb on the uppermost cartridge is maintained until the cut-off has engaged over it."

OSBORNE, ISLE OF WIGHT.

Convalescent Home for Officers of the Navy and Army presented to the Nation by His Majesty the King.

Osborne is open for the reception of convalescent officers of the Navy and Army. Officers will be received at Osborne on the recommendation of the Director-General of the Medical Department of their respective Services, to whom all applications for admission should be addressed.

As regards the Army, recommendations for admission or applications from officers themselves, whether on the home or foreign establishment, should be sent direct to the Director-General, Army Medical Service, War Office, Whitehall, S.W. A medical statement of the case should be enclosed.

The accommodation at Osborne, which will be divided equally between the two Services, will provide for 43 officers, 5 of whom may be accompanied by their wives. Children will not be allowed to live in Osborne.

The entire stoppage to be paid will be 2s. 6d. per diem for each officer or his wife.

Medical attendance is free; but in certain cases requiring massage, special nursing, or other special measures, a charge will be made to cover the cost.

The duration of the stay of officers at Osborne will be determined by the House Governor and Medical Superintendent and the Consultant on duty for the month, subject to the approval of the Director-General, Army Medical Service.

Retired officers of the Navy and Army are admitted into Osborne only under the following conditions:—

- a. If there is a vacant room at Osborne and there is no pressure for admission of officers on the Active List.
- b. That the disease or injury from which the officer is suffering is "directly attributable to the Service."
- c. That the officer has retired from the Service within five years from the date of the application for admission.
- d. That the Director-General of the Service concerned is the sole judge of the fitness of the case (medically) for admission.

FIELD-MARSHAL H.B.H. THE DUKE OF CONNAUGHT, K.G., &c., &c.
H.B.H. THE DUCHESS OF CONNAUGHT.

Subscriptions and donations in support of the Charity will be thankfully received by Messrs. Cox & Co., Charing Cross, London, S.W.; by the Secretary, Colonel E. L. F. Jennings, M.V.O., to whom crossed cheques and Postal Orders on the Charing Cross Post Office should be made payable; or by the Superintendent Miss S. Anderson, at the Home at Hampstead.

The Home was constructed and is equipped for 200 girls, and the desire of the Committee is to maintain the full complement.

The need of such an institution is apparent from the fact that there are on an average three candidates brought forward at each election to every one admitted.

The Committee earnestly appeal to a generous public to aid them in the support of the Charity. They also ask for the co-operation in the good work of every Regiment and Corps.

A contribution of but 6d. a year from each Non-Commissioned Officer and Man throughout the Service would provide for the support of a child from every Regiment.

The Home is open to visitors daily between 10 and 5, except on Saturdays and Sundays.

The Committee invite the inspection of all friends of the Soldier.

MILITARY WIDOWS' FUND, BRITISH SERVICE.

(Late Queen's Military Widows' Fund.)

The Military Widows' Fund, British Service, was established in 1820 to alleviate the distress of families of officers of the British Service and to enable them to return to England without unnecessary delay. Whenever an officer of the British Service, who is a subscriber to this Fund, dies, his family receives at once, the following assistance, namely:—Six months maintenance allowance ranging from Rs. 2,400/ to Rs. 3,600/, according to rate subscribed, plus Rs. 1,600/ for passage for the widow, plus Rs. 500/ or Rs. 300/ for passage for each child, according to whether it is over or under 12 years of age. These benefits are secured by a small subscription of Rs. 4, 3, or 2 per mensem, which is regulated by the amount of pay an officer draws. An officer, immediately on becoming a subscriber, secures at once for his wife and children, quite irrespective of length of service in India, the full benefits of the Fund in case of his death.

In 1902 the sum of Rs. 31,200/ was paid in awards to families of deceased subscribers; and the total amount paid since the establishment of the Fund in 1820 exceeds Rs. 22,00,000/.

Copies of the Regulations of the Fund can be obtained from the Honorary Secretary at Simla.
